Dear Friends,

In just a few days we will begin to gather with our brothers and sisters in Peru for the 10th International Camp. Our theme is **“Following Jesus Christ - Our Passion for the World.”** We will have people from all of our eight Regions, and we will experience their cultures and music. Praying together will be fantastic! We promise a report in the next Newsletter.

I want to express our sincere gratitude to you reading this letter for your generous gifts during the past few months. Many of you have given to our Campership Fund to enable people from the developing nations to attend the upcoming camp. This includes 67 Peruvians who, without your generosity, would be unable to attend the camp.

One of the challenges when we are trying to raise funds for a special event like this is that donations to our General Fund are affected. Our budget is small, but we are committed to supporting the Regional Vice Presidents from the developing regions (East and West Africa, East and South Asia and Latin America) to attend the annual Board Meeting which this year will be held in Lima prior to the 10th International. It is quite costly to fly people from the various Regions to Peru and this comes out of our normal budget. And yet, the expense is so worthwhile because being together face-to-face is **one of the finest ways to strengthen the Belt of Prayer around the world.**

“So ask, with Love, and it shall be answered... For as air, soil and water are to the seed, So is Love to the question, need and yearning.”
Glenn Clark
A Psalm of Abundance

I was reading in my daily devotional today, “The praises we declare one day are often challenged by the circumstances the next, and that's when we find out if we really believed what our mouths said. **Choosing to remember what God has done in the past will give our hearts and minds the right perspective on what God is doing.**” (Chris Tiegreen)

My challenge to all of us is to remember that our God is a God of abundance. I am choosing to believe that the finances we need will come. **May you experience God's richest blessings in your lives** as you give. Thank you once again for your ongoing support.
