

Together we are discovering a new world through creative prayer, supporting camps that promote peace, and surrounding the World with a Belt of Prayer. Thank you!

## South Asia Region: Kashmir CFO Rebuilding

Kashmir is in the far north of India, and there is a lot of political unrest there. “It is hard to plan ahead. Many CFOers have left the area,” Grace Paljor writes. “Through minicamps we are trying to revive, as well as **get young people involved** and take leadership. I never thought this would be possible, but I know it is the Lord’s doing and His presence is with me.” (This is Grace.) 

Kashmir CFO just held a minicamp August 14th & 15th. “The Lord touched many hearts. **World Prayer Broadcast** was especially significant as we prayed for the suffering Body of Christ all over the world, especially Iraq.” Participants want a longer camp, and planning is underway!

More campers shared:

•“Being very few believers in Kashmir we still had CFO, helping us all rediscover our passion for Jesus. From 60 years old to 6 years old, all participated in every activity. God worked wonderfully with **young people from Nepal** and they shared their testimonies.”

•“The fact that I could participate in Rhythms as worship was liberating.”

•“I enjoyed the fellowship, as I often feel lonely.”

•“I enjoyed the creativity in Singing, Creatives and Rhythms. It surely covers **all aspects of a human being**; mind, body and soul.”

As you use minicamps and other ways to reach out in **your** area, pray along with Kashmir CFOers for God’s good work and for **peace and safety** in all the countries of the world.

“The prayer of intercession connects God and other people; it is one of the purest forms of service, the mightiest single power on earth.”

## South Pacific Region: National Meeting and Camp in Australia

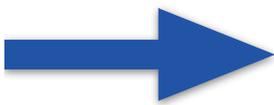

In July this year Australia held its National Meeting and CFO Camp in Rockingham, Western Australia. There was a wonderful group of campers from the Perth/Albany area, including several new campers. The theme was **Stop, Look, Listen and ...?????** Sue Fairley, CFOI President, was the speaker. Sue invited everyone to think about what their question marks represent. On the last day each camper shared what that was. All the Australian Council Rings sent delegates to the meeting. Campers discussed many things close to their hearts, including how best to promote and share CFO.

The weather was wild and cold but the fellowship was wonderful. One special blessing was the presence of **four generations** of the Beadle family including the patriarch, Frank, who is now 93.

Frank Beadle gave an inspirational Orientation Talk at the camp and shared the time that he visited Lake Koronis (original CFO site in Minnesota, USA) and was able to walk out to the island because the lake was frozen!

## CFO Seed Grows Four Decades

*Hello and greetings in Jesus' name,*

*I came to Christ at age 15, in 1974, while attending a wonderful CFO camp in Northern California. Now at age 55 I can say that Christian camps have played a powerful role in my life.*

*Since 1994 I have been involved with a ministry in Petrozavodsk, Russia where we have collaborated with indigenous Russian leadership to operate a Christian Center in a major public school. Several thousand students have heard the Gospel and many have come to Christ over the years.*

*One of the most effective and fruitful offshoots of this ministry has been **camps for young people**, similar to what I experienced at CFO so many years ago. However, this entire region of northwest Russia --the **Republic of Karelia**, has had no Christian campground or retreat center facility available and affordable for the Body of Christ. Long story short, with the generous donations of Christians around the US and many volunteers in Russia from several different churches, **a beautiful retreat center has been built.***

*My wife and I had the privileged of attending the dedication service there on June 7th. We came away **marveling at all that God has done** to make this dream a reality. The vision and anticipation among the Russian Christians is such that we sense and pray that this special campground facility could well outlive us and be a great blessing to the Christians of this area of Russia for generations.*

*I wanted to share this little testimony about how **the good seed of the Kingdom of God**, from a long-ago CFO camp has continued to grow and bear fruit.*

*Jeff Sullivan, Bemidji, Minnesota, USA*

# CFO: At Home Around the World – and you're invited!

It's almost time for our 4th Annual **CFOI Dinner** in California. This year's theme: CFO: At Home Around the World. Tanya Cothran, a lifetime CFOer with lots of international experience, will be speaking about the unity we have within the marvelous diversity of our worldwide movement. She's fresh back from a trip to East Africa, and has lots to share.

Dinner this year will be at St. Andrew Church in Whittier, CA, instead of Knott's Berry Farm, to save on costs. This means that your donations to support this event, and the love offering collected, will reach even more CFOers around the world.

\*\*\*\*\*November 15th – 5:30 p.m. – 11345 Miller Road, Whittier, CA \*\*\*\*\*
