Dear Friends,

Thank you for your gifts supporting CFOI's work around the world. Your support is creating new growth in the Regions. There is vision for more camps, greater outreach, and expanded training. As your gifts meet up with the dreams, CFOI grows in exciting ways. I am writing to ask you to give now with extravagant generosity, in this season of gratitude for God's greatest gift to us.

As you know, the desire to experience God's blessings through the CFO program has expanded and grown since those early trips around the world by Glenn Clark, Roland and Marcia Brown and others. We currently have camps and prayer groups in 25 nations outside North America, and the desire to expand is ever increasing! Regional Training Meetings are our best investment in building the Belt of Prayer and Bond of Love around the world.

**South Asia:** November 4-7, the Region of South Asia came together in Chennai, India. There were 88 people participating from India and Sri Lanka. Sixteen were young people and 14 were children. Mano de Alwis, RVP, reports:

*"The children conducted the Singing session on the final day and what a joy it was to see their enthusiasm. Two young people led Devotion in Motion one day. They are so keen to be trained as leaders. The most beautiful part of the camp was the love shown to the campers. Although we spoke different languages we were all one in the Lord. God's language is LOVE and everyone experienced that. We are very grateful to all of you who have contributed toward building CFOI in our Region. We are seeing a whole new generation coming up and they need to be trained for CFO leadership."*

**South Pacific:** We are thrilled that the South Pacific CFO Region, after their Regional Meeting, was able to pass their blessing along and sent \$5,000 to assist with Regional Training and support for other Regions. This gift was a tremendous response to the needs expressed in those Regions and is bearing great fruit as are the ongoing products of your generous giving!

**West Africa:** West Africa Regional Training will convene for the first time in Ghana, December 16-22. They have camps in Ghana and Nigeria, and are excited about expanding into other nations as leaders are trained and travel funds are available. They are able to do this work because of your gifts and those of other Regions, and with continued generosity, they will be supported and enabled to continue their outreach.

**East Africa:** East Africa Regional Meeting was just held December 8-11. Look for a report from that meeting in your next Newsletter. Thank you for your gifts that make these Regional Meetings possible!

**South America:** You are invited to the 10th International Meeting of CFOI in Peru in August 2012. See the enclosed flyer for more details. I hope you are making plans to attend!

**Walt Clark  
1921-2010**

I would like to dedicate this final letter of the year to Walt Clark, our Resource Committee Chairperson, who died suddenly in November. Walt was passionate about finding resources to grow the work of CFOI around the world. He will be sorely missed by all of us.

Our goal for 2010 was to raise \$100,000 to expand the Kingdom, especially through Regional Training. To date we have received \$54,000, due to your generosity. This leaves us with a gap of \$46,000, to enable all Regions to achieve their goals, including the budget prayerfully approved by the Board. Can you help us reach this goal?

In this season of Advent we prepare to celebrate God's extravagant generosity – the gift of Jesus Christ. How will we respond to that gift? I want to challenge you, as I also challenge myself, to think about how extravagant we can be in our giving to CFOI.

May God's love, joy and peace be yours this Christmas, and may you experience the extravagant love of God each day.
