

Living Prayer

"...is to make all Life Alive by Filling It with the Wonder of the Presence of God."

Glenn Clark
Living Prayer

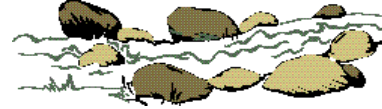

"For the highest art of life is a living prayer, a continual, dynamic, and whole-souled communion with God and man in His image, through Jesus Christ."

Glenn Clark,
Windows of Heaven 1954

"Prayer is governed by the same laws that control the flow of a stream,

*the art of a game,
the life of a bee.*

*One who learns
and practices
these laws
correctly should
be able to do
business better,
love better,
serve better;
for to learn how to pray is to learn
how to live."*

... AS
CHRIST PRAYED

*"Twenty-five years ago
I had started a camp the purpose of
which was to go all the way out in
teaching people how to pray and live
Christianity victoriously so they
could go all the way out in love, faith
and obedience, with their spirit-
filled lives a demonstration of the
effectiveness of prayer and the
trustworthiness of God."*

On Wings of Prayer

*God gave us our name (Camps
Farthest Out) for a purpose
whose full magnificence we
did not at first comprehend! A
Kingdom of God Movement of
Good Tidings that is destined to
spread throughout the world – a
movement that can unite all the
spiritual forces of the world in
one common meeting place, the
place of prayer.”*
