

CFO International

A Global Outreach of Creative Christian Living

March 2013

Dear CFO International Family,

Becky Sutherland | International Coordinator

I received an encouraging email the other day from West Africa: "Yes, I will wish for prayers for this gathering, most especially our host in Ghana, who is presently in the hospital. God healing and blessings! Also safe travels for Nigerian, Beninonise, and Liberian,

all expected. Some are applying for their passport to travel for the first time. I want God to take control of everything in Jesus' name. Amen." So I invite you to pray with Ofonime (Regional Vice President) and me for this Training Camp coming up. Your gifts make the gathering possible. Thank you for sharing your finances so that CFOI training, fellowship, peace and kingdom living keep spreading.

Money from your gifts is also being disbursed to CFOs in other Regions for training and growth, including upcoming trainings in Sri Lanka, Philippines and Kenya, and financial help for the new camp in China. You are making a difference all around the world.

CFOI has now purchased airline tickets for our incoming Regional Vice Presidents from East Africa and West Africa to attend the upcoming Board meeting in Fiji this summer. The location was chosen partly because it is easy to acquire visas to attend, especially for those from African nations. This summer's meetings will be productive times for working in unity, listening in prayer for God's guidance and launching these new RVPs into their leadership roles. Please pray for Erastus Omukhango and Ekemini Ekong as they prepare to come to Fiji and then pursue their work leading CFO in their Regions. CFO camps promote peace in the world, and we thank you for contributing in order to extend this work.

Last summer, at our International Board meeting in Peru, our President, Sue Fairley, made a plea to the Board members to support CFOI financially, wherever they live. Many responded, and it has increased international participation in raising funds to support camps and trainings in each Region. In the process, we discovered that one of the blocks to giving was the cost required to wire funds. However, we

have a blue button on our website that says, "Donate Now," and fees are very small to use it to donate by credit card. Please consider using this button and donating electronically, wherever you live. There is a small fee, so sending a check in US funds is still more efficient, but setting up automatic payments by this method, or using it to make international contributions, is another option open to you. What a blessing to be part of a worldwide community, supporting one another wherever we are. May your heart be full as you participate with love!

Recent gifts were given to CFOI in loving memory of Marcia Brown and Ginnie Moore.

Ben Foo, Chairman of Papua New Guinea CFO, died suddenly in February. Will you consider a gift in honor of his memory? He will be much missed, especially in our South Pacific Region.
